Littleton, CO 80160
720-772-7186

Dear Friend,

Please join us in providing "*Help for Today and Hope for Tomorrow*" for those affected by Huntington's disease by contributing to our Celebration of Hope "Wine & Shine" on Thursday, June 23, 2022. All proceeds support the Huntington's Disease Society of America.

Our hope is to gather more than 100 guests to enjoy food and wine and highlight our accomplishments of the past year and look ahead to our bright future! In addition to enjoying Biggsby's Folly's wines, guests will enjoy heavy appetizers, music, and a silent auction. The evening will be a celebration of the community we have built and the strides made to find a cure for Huntington's disease.

Huntington's disease (HD) is a fatal genetic disorder that causes the progressive breakdown of nerve cells in the brain. It deteriorates a person's physical and mental abilities during their prime working years and has no cure. Every child of a parent with HD has a 50/50 chance of carrying the faulty gene that causes HD. Many describe the symptoms of HD as having ALS, Parkinson's and Alzheimer's diseases – **simultaneously**.

The Huntington's Disease Society of America (EIN 13-3349872) is the largest 501(c)(3) non-profit volunteer organization dedicated to improving the lives of people affected by HD. The Society provides family services, education, advocacy and research to the more than 30,000 people diagnosed with HD, and the 250,000 people at-risk of inheriting the disease living in the United States today.

Please refer to the form below for sponsorship opportunities and let us know if you have any questions. We would be honored if you would join us in this fight against HD.

Sincerely,

A handwritten signature in blue ink that reads "Molly Kokesh".
